

Exhibit Question, Research, Product & Presentation Process (Form 3)

Product Choices:

How can I best show what I have learned? What product best reflects my exhibit and what I now know about it? I have reviewed the possible product list. A good choice will be one that:

- I know I can create
- Will reflect my exhibit, my questions and what I have learned.

Product Selection Process:

To best present the information I learned and to completely answer my exhibit Inquiry Question, I considered a number of products:

1.

2.

3.

I eventually chose number _____ because

Product Creation Process:

In order to create my product I need to plan out all my steps, to complete it from the beginning to the end, in order.

1.

2.

3.

4.

5.

6.

7.

8.

In order to create my product I will need the following materials (List below)

1.

4.

2.

5.

3.

6.
